The Maile Ilimas hold the basketball championship of the City and the Busi-Boy the United States (including Hawaii ness Men must rest content with the Young Men's Christian Association .. \$2 00 champtenship of 1901.

The teams met to decide the question Systemacy on Saturday evening in the Initial's gymnasium, And when they met there were many to see. Both combinations had many friends and Ledgerifters were perhaps the best fancied, for their form was as an open book, whereas the Mailes had not performed in public for a year,

The game was fast throughout, and at the start the play was of a break-neck description, neither side caring to have to make up leeway in the final stages of the battle.

The Business Men had the best of the first half and were going strong in the second half when their opponents a brace and Ben Cark and Fred Wright introduced a series of brilliaat plays which won the game for their side, When the Mailes developed their pointgaining streak, the Ledgerlifters aid their utmost to produce a like effort, but unsuccessfully. The condition of their more robust opponents told the tale, and when the whistle blew they were three points behind their antago-

will be a long time before such a scientific struggle between two teams so evenly matched will be witnessed here. The Maile Ilimas won the Young Men's Christian Association championship last year without losing a game. This year the Mailes did not compete and the Business Men were victorious, winning every game they played.

### DODGING THE CAMERA.

Chinamen Who Won't Register and Want to be Deported.

The present month will probably see about thirty extra Chinese inspectors added to the Internal Revenue Department. The work is to be pushed on all the Islands and every effort made to have all the Chinese registered before the end of the limit specified-June 15. Considerable difficulty is being experienced by the inspectors in trying to register all the Chinese in any one community. There seems to be a natural on among the Chinese to having their pictures taken for official purposes. Whenever the inspector goes into an outside district many of the Chinese are found "absent," although no good reason can be assigned for their not being present.

A few days ago Photographer Williams, who is doing most of the photographic work in connection with the registration, went to Ewa for the purpose of getting the liknesses of all Chi-Times on the tide are taken from the nese who had not already faced the camera. ## HARVEST WAS GREAT.

Some Were Drunk, Some Gambled But all Were Gathered in.

Acting along these lines they water the lacteal fluid and become rich also. Judge Wilcox's procedure in such cases usually results in the enrichment of the Territory.

Susiki and Haone were registered at the holdover as common nuisances. A dozen or so drunks had an opportunity of discussing the Dispensary bill

in the smoking cell. Chock Sun and Ah Hee will tell His Honor that they left their rigs in charge of a man who suddenly and su-
